HOPE FEST AZ

HIS GRACE IS ENOUGH FOR YOU

Dear Community Contributor,

Plans are underway for the 4th Annual HOPE FEST AZ, set for October 3rd, 2015. God continues to amaze us with blessings and confirmation for this year's event. The Prescott Courthouse Plaza will once again come alive with local and national recording artists, guest speakers and a Family Fun Zone for all to enjoy. We anticipate well over 6,000 attendees at this FREE community event.

We are excited to expand upon our strategic purpose with "HOPE Serves" Family Resource Fair, by meeting the immediate needs of our Veterans, the Hungry, the Homeless, those affected by Domestic Violence, and their families -- making a tangible difference in the lives of our neighbors by providing connections and services in the areas of Education, Recovery, Mental, Social & Health Care, and Veteran Family Services. It's about being empowered to make a difference. Change IS Possible!

On behalf of HOPE FEST AZ, I am writing to invite you to consider donating items to our raffle drawings that will benefit this FREE to the public event. Your tax-deductible donation to HOPE FEST AZ, a 501(c)3 tax-exempt event (tax ID 45-4731785), will help us cover costs and this year will see the introduction of the NEW Fostering Hope Award main-stage presentation, to a local charity or ministry. The Award includes a monetary donation in support of the recipient's measurable contribution to our community.

All raffle prizes will be promoted on our website and Facebook pages, as well as, announcements are scheduled throughout the one-day event to acknowledge your generous donation and participation. Also your donation will be prominently displayed to further your exposure and our gratitude, to our many guests during HOPE FEST AZ 2015.

If you have any questions, please call me at the number below.

Thank you for your prayerful consideration and support of this important community outreach that raises awareness while providing significant services to our neighbors.

Together we can **Be Part of the Solution!**
